

Champaign County YMCA Splash Birthday Parties

Information for Parents

- A deposit of \$25 is due when booking the party. The balance is due no later than the Wednesday before the party. Please bring all receipts on the day of the party to prove payment was made.
- All children attending the party must have a parent sign a waiver at the front desk before entering the pool.
- The minimum age for those attending splash parties is 10 years old. This coincides with our policy of no one under 10 years old being allowed to enter the pool alone. However, if a child under 10 years old and can pass the deep water test, they are allowed to enter the pool alone. A Splash party that has participants under age 10 that cannot pass the deep end test, must have 1 adult for every 3 participants in the water.
- Each party will have 1 lifeguard assigned to the group.
- The only toys allowed in the water are noodles.
- If any child needs a flotation device (lifejacket, float belt, etc.), 1 adult must be in the water for every 2 children needing flotation.
- The YMCA will not provide any decorations or paper supplies for the party. Parents can bring decorations and paper supplies and set them up in the party room however they choose.
- Please do not rely on refrigeration for any food or drink being served.
